

The Victoria English Country Ball April 5-7th 2019

Dances led by Erik Weberg: Erik Weberg has been calling Contra and English country dances, festivals and weekends around the United States since 1990. His criteria for selecting dances are simple: they have to feel good and they have to be fun. Flow, interesting figures, and connection with the music are what make dancing sublime. He strives to teach clearly with a playful approach and a good sense of community cooperation. Erik combines dancing, calling, choreography, and dance programming with music-making, playing with the contra dance band 'Joyride' and the English country dance band 'The Fine Companions.' He dances, calls, and makes music from his home base in Portland, Oregon.

Music by The Dancehall Players: Victoria's favourite English Country dance band plays regularly in Victoria, and occasionally on the Gulf Islands, Vancouver, and Seattle. They recently released their fourth CD, *An Evening at Dan's Hall*.

The program will be selected from the following dances:

After Dinner Maggot
